

LINDA BAKER (2012)

Linda began dancing when she was 11 years old, attending all the youth dance spots in Norfolk throughout her teen years. Later as a wife and mother of 3 children, she returned to dancing when life's priorities allowed, at Fat Rogers, Steppin' Out, Larkins and the Round Room.

Linda joined the Tidewater Shag Club in 1986, which evolved into the Virginia Beach Shag Club. Over the years, she was a mainstay volunteer on various committees and the Board of the VBSC. She was also a devotee of SOS since 1987, and, a much-favored partner on North Myrtle Beach dance floors.
