Please read the information below carefully

- ABC Laws have changed recently. I had to get a different license than Moose originally told me.
- After several discussions between ABC Officer, Moose Administrator and myself, we're finally ALL on the same page.
- The right license for a **PRIVATE Party with alcohol** says that the MOOSE cannot sell guests any alcohol.
- Moose International Rules say **All Beverages** must be served by Moose Staff/Bartender.
- This change impacts those who were told in the flyer that a variety of **Beer** will be available for purchase.
- Do not want anyone to be without their favorite beverage.

NEW Directive:

Permitted to bring own **Beer, Liquor & Wine** – with **NAME** on bottle(s)

*** ALL other beverages must be purchased at Moose**

All Beer, Wine & Liquor must still be put behind BAR to be served by Moose Staff/Bartender.

ALL Set-ups must be purchased.

Sodas, Tea, Water & maybe **Coffee** will be available for purchase.

PARKING: Main Lot by entrance to Moose Lodge & around the back side
