5. Any additional information you believe is relevant and supportive of this nomination.

Like many others Shaggin Sammy found a “happy place” in the Shag community. Encouraged to visit the Smithfield Shag Club he soon found people, music, and something he hadn’t considered before—Shag Dancing. As a newbie in the club and the shag scene he saw there was much to learn and enjoy. He has taken advantage of the other clubs in the area and has become a semi-regular at several of them. He’s well known for his dancing skills and he is always sought after as a dance partner. And so on, and so on
